Potential Employer
Representative

Dear Potential Employer,

Are you seeking an employee with the following?

- Over 10 years of construction experience that include plan reading, leadership and a work ethic that is unmatched.
- That is interested in the latest and most efficient ways to optimize construction and cut the cost to complete a job?
- Is an excellent leader that will pride himself in the completion and quality of the work he completes?
- A passion to continue his education in and out of the classroom with a willingness to travel.

If so, don't look any further. You will see from my resume and hopefully from an interview that I am a fit for all the qualification of this job and much more.

If you as an employer are interested in taking the next step and wish to schedule an interview feel free to call or text me using the number under my contact information or email me.

Thank you for you valuable time and your consideration of employment.

Sincerely,

Jerry Montgomery
