Potential Employer  
Representative

### Dear Potential Employer,

Are you seeking an employee with the following?

- Over 10 years of construction experience that include plan reading, leadership and a work ethic that is unmatched.
- That is interested in the latest and most efficient ways to optimize construction and cut the cost to complete a job?
- Is an excellent leader that will pride himself in the completion and quality of the work he completes?
- A passion to continue his education in and out of the classroom with a willingness to travel.

If so, don't look any further. You will see from my resume and hopefully from an interview that I fit all the qualification for this job and more.

I would very much like to discuss opportunities with a potential employer.

To schedule the interview, please call me at (606)496-7076.

The best time to reach me is between 9:00 AM and 8:00PM, but you can leave a voice message at any time, and I will happily return your call.

Thank you for taking the time to review my resume and your consideration of employment.

I look forward to talking with you.

Sincerely,

Jerry Montgomery
